

# Appendix A

**Table 1**

*Inventory Table (Polish HEIs and Related Blockchain/Crypto Initiatives)*

Period	Entity	Type	Initiative (short)	Evidence	Sources (author-year)
2012-06-06-...	University of Warsaw / crypto.edu.pl	Research group / seminars / grants	crypto.edu.pl: cryptography hub incl. blockchain and smart contracts	<i>M</i>	University of Warsaw (n.d. a)
2013-12-18-2014-05-28	SGH Warsaw School of Economics	Seminar series (Bitcoin Club SGH)	3 bitcoin seminars co-organised with SGH units; strong practitioner involvement	<i>H</i>	Piech (2014a, 2014b, Piech & Sochocka, 2014); Bitcoin Club SGH (2014)
2014-...	DM&BF (Warsaw; earlier incl. IMM PAN; cooperation incl. UMK)	Recurring conference series	Digital Money & Blockchain Forum: long-running EU conference bridging academia and industry	<i>H</i>	Digital Money and Blockchain Forum (2014-2026)
2016-...	Nicolaus Copernicus University (UMK)	Research group / academic cooperation	prof. Polasik - led community: research and visible engagement in DM&BF ecosystem	<i>M</i>	Author documentation (prior collection); Digital Money

					and Blockchain Forum (n.d.)
2016- 12-...	Lazarski University	University centre	Centre for Blockchain Technology (CTB): education and knowledge-transfer activities	<i>H</i>	Lazarski University (n.d. a)
2017- 11-06- ...	SGH	Student organisation	Blockchain Society Poland / Blockchain Society SGH	<i>H</i>	SGH (n.d. a)
2018- 10-...	SGH	Postgraduate programme	"Blockchain: Business, Law, Technology" (multiple cohorts)	<i>H</i>	SGH (n.d. b)
2019- 2025	Kozminski University (ALK) + partners (incl. UMK for selected editions)	Conference series (legal/regulatory )	"Digital currencies: definitional and regulatory problems" (editions 4.0-5.0); consumer protection focus	<i>H</i>	Kozminski University (n.d. a; n.d. b); UMK (2017; 2018)
2020- 06- 2021-03	Smart Cables (lead) + Polish Academy of Sciences (PAN) + Czestochowa	R&D project (NCBR/POIR)	iVote / iVoting University: DLT voting; academic crypto component (Polish Academy of Sciences /Czestochowa	<i>H</i>	Smart Cables (2020-2021); Gawlas & Piech (2025)

	University of Technology (PCz) + Lazarski		University of Technology) in consortium		
2020–...	SGH + IBCOL (Hong Kong) + Blockchain Society SGH	International Olympiad (Polish editions)	IBCOL Poland / Polish Blockchain Olympiad; coordination and awards (e.g., 2020)	<i>H</i>	IBCOL (n.d.); IBCOL Poland (n.d.); archived e-mails (2020)
2022–...	AGH University of Science and Technology	Education platform / initiative	Blockchain@AGH (public educational initiative)	<i>H</i>	Blockchain @AGH (n.d.)
2024-05–...	University of Economics in Katowice	Student club	Klub 256 (crypto/blockchain)	<i>M</i>	University of Economics in Katowice (n.d.)
≤2024	Lazarski University	Student scientific club	Student Scientific Club of Cryptocurrencies (Koło Naukowe Kryptowalut)	<i>H</i>	Lazarski University (n.d. c)
2024–...	SGH / SxB	Conference (initial edition; continuity TBD)	On-chain Economy Conference (first edition; listed for completeness but not coded as 'project')	<i>H</i>	International On-chain Economy Conference (2025)

2023–...	Multiple HEIs (deployment via DoxyChain)	Credential infrastructure (DLT)	DLT-based micro-credentials/certificates: disclosed HEIs incl. Jagiellonian University, Kozminski University, Warsaw University of Life Sciences, Poznan University of Technology (EUNICE), Medical University of Lodz, Medical University of Lublin, Koszalin University of Technology, University of Gdańsk	<i>H</i>	DoxyChain (n.d.); MyCompanyPolska (2025); Medical University of Lodz (n.d.); Medical University of Lublin (n.d.)
2025/26 –...	University of Warsaw, Faculty of Management	Degree programme (MSc)	"Digital finance" (Finanse cyfrowe): full-time and part-time tracks	<i>H</i>	University of Warsaw (n.d. b; n.d. c)
2021–...	Billon + OPTeam + HEIs	Credential infrastructure (DLT)	Blockchain diplomas /credentials (e.g., Kielce University of Technology)	<i>H</i>	Billon Group (2023)

---

2023/24	Lazarski	Degree /	FinTech /	<i>H</i>	Lazarski
–...	University	specialisation	Decentralised financial technologies (incl. crypto) and AI (programme evolution)		University (n.d. b)

---

*Note.* Table summarises major recurring or institutionally anchored initiatives. One-off events are excluded unless they generated durable outputs (e.g., a long-running series, a programme, or a production deployment).

Evidence codes: *H* = hard/public documentary evidence; *M* = mixed/partial evidence requiring triangulation.
